About the Course

The **O.C. Trial Test Course** is offered to students in year 3 and 4 to prepare them for the Opportunity Class Entrance Exam.

The year 4 O.C. Trial Test Course allows students to prepare for the real O.C. test by practising and solving over 3,000 test questions.

Each week students will complete two test papers comprising of Reading, Mathematical reasoning and Thinking skills questions. This exam is set using the same format as the real Opportunity Class Test.

Students will receive a computerised test report the following week that gives a close indication of the child's performance which can be tracked via our online portal.
